

# experience the wedding of your dreams at clontarf castle hotel...

Congratulations on your engagement and thank you for considering Clontarf Castle Hotel for your special day.

Clontarf Castle is one of Dublin's leading wedding venues, an effortless blend of historical romance and thoroughly modern facilities. Every couple is different and at Clontarf Castle, your wedding will be completely unique. Our experienced wedding team are ready to design a bespoke package, perfectly tailored to your personality and relationship.

With a breath-taking castle facade dedicated art galleries, original 12<sup>th</sup> century architecture, landscaped gardens and a romantic outdoor terrace, Clontarf Castle Hotel holds a wealth of unforgettable experiences for you and your guests.

Clontarf Castle Hotel offers a range of different locations and opportunities around which a bespoke wedding can be designed. What you choose will depend on your own personality and style - whether that's a lavish celebration in the grandeur of the Great Hall Ballroom, an intimate wedding lunch in Fahrenheit Restaurant, or a sophisticated soirée in Indigo Lounge or the Viking Suite.

## **The Great Hall**

The recently renovated Great Hall is a truly elegant venue, featuring luxurious cream and purple tones and lofty ceilings. Louise Kennedy designed crystal chandeliers illuminate a dramatic frieze depicting the Battle of Clontarf, a celebration of the incredible heritage of this centuries-old castle. The Great Hall contains its own purpose-built bar, pre-reception area and can host upwards of 120 guests.

## **The Viking Suite**

The Viking Suite is an inviting, exclusive space that features a striking colour scheme and private pre-reception area. With a purpose-built bar inside the room, full air-conditioning and flooded by natural daylight, the Viking Suite is a popular choice for civil ceremonies and wedding receptions alike.

## Fahrenheit Restaurant

Located in the original 12<sup>th</sup> century castle wing, Fahrenheit Restaurant showcases the medieval history of Clontarf Castle Hotel. High-beamed ceilings, ornate stained glass windows and paneled walls lend a sense of drama, the perfect choice for an intimate gathering in a truly romantic setting.

## Indigo Lounge

There is a sense of fun sophistication in Indigo Lounge, where glamorous red chandeliers cast a sparkle over your evening occasion. Chic and contemporary, Indigo Lounge connects with an outdoor terrace – making it perfect for champagne receptions, al fresco dining and night-time soir e.

## Our Wedding Packages

To inspire you as you begin planning your special day, our wedding team has tailored a series of packages to suit different requirements and budgets. We know that every couple is completely unique, so we're also ready to design a bespoke experience that encapsulates your personal style.
